Annual parish assembly meeting agendas /minutes /reports can also be found on this tab. The Parish Council also post things on the useful websites tab with date of posting.

The **community centre & Social club tab** shows meeting minutes under *membership*. *Facilities* gives details of what's on offer, opening times, etc. *Hire* provides costs, conditions of hire and hire form. *Policies* includes the constitution. And *Price List* shows the bar prices.

The **Amenities tab** shows information about St James' Church, dates and which catering vans visit the community centre. Oil syndicate information. Mobile library information. Pilates classes information. And neighbourhood watch information.

There are other tabs including businesses within Stanstead.

It has not been possible to obtain the stats on website usage for the 2024-2025 year due to the change in administration. It would be useful to have some help with maintaining the village website as it is now being maintained by the Community Centre Committee and Parish Clerk whereas it was previously maintained by a volunteer who did a fantastic job at keeping everything up to date. If you are interested in helping with this, please contact the Parish Clerk at via email stansteadpc@gmail.com

The Parish Council are hoping to be in a position to use facebook in the near future.
